Years 4-7 return  
from Muster
- 14th December**–  
Last day of school  
for students

## School News

Term 4, Issue 3

14th November 2017

### School Chaplain

Paul White has been appointed the School Chaplain for our school. He is keen to get around to as many locations and families as he can before the end of the year.

Paul will access families by plane and or road and many of you will already be familiar with Paul. Whilst many families will welcome a visit by the School Chaplain, could you please advise me if you would prefer not to have this visit?

### Air Lessons

Air lessons will continue to run until the last day of School, Thursday 14th December.

### School Council

Our final School Council Meeting is scheduled to run Monday 20/11/17 at 6pm in the muster Room.

### Muster and ECE camp

Don't forget that Year 6 & 7 Graduation and the Christmas party both take place on Monday 4th December at the Broome Camp School. The children attending Muster will leave for Perth the next day and the ECE camp runs through to Thursday of that week.

Please read the important camp information attached to this email.

### Hearing and Vision Screening @ ECE Camp

We are conducting a Health Check Screen on Wednesday morning of ECE Camp in Broome from 8am til 10am. It will save an enormous amount of time if the necessary forms are filled out prior to testing. The School Entry Assessment will need a form for each child, as will the biographic form but more than one child can be entered on the ear health form. Forms have been attached to the email.

If you do not wish your child to participate in theses checks please inform Kerry by email.

Paul Noble  
Principal  
Kimberley School of the Air

Reminder! If you haven't had a chance to complete our school survey, please do so by following the link below.
