Term 3, Issue 1

24th July 2018

Important Dates

26th July-

Staff Development Day no
Air lessons

12th October-

Rangelands Photo competi-
tion closes

Term 3 is well and truly under way. We are starting to look at visits for this term and it is shaping up as another busy term here at KSOTA.

I would like to thank the P&C for their effort at the Fitzroy Rodeo. The stall was a great success. We are scheduled to have a merchandise stall at the Derby Rodeo. The new workshirts look great. A number were sold at the Rodeo. I think that they will be a good item.

Canberra Camp

The Canberra Camp is looming. It promises to be a great event. Families involved will receive an info pack by the end of today.

Webex

As noted on the Term Planner there will be a School Development Day this Thursday. That means there will be NO Air Lessons at all. All the Schools of the Air in WA will be leaving SABA at the end of this year. We will all move across to the platform of Webex. There will be Education Department staff in the school this Thursday and the School Development Day will be spent with the KSOTA staff being in serviced on the Webex system.

Term 3 Travel

The teachers at KSOTA will be busy with travel this term. Every effort will be made to cover Air Lessons when teachers are travelling. There will, however, be occasions where we will have to cancel Air Lessons. I hope everyone understands.
