Last Day of Term 4

13th December

Welcome back everyone!

I hope everyone enjoyed their break from School and I also hope that the first week of this term started well for everyone.

Term 4 is notoriously busy in any school and KSOTA is no different.

- ◆ Week 5 Camp – Broome Camp School
- ◆ Reports
- ◆ Muster Years 4-6
- ◆ School Review

Week 5 Camp

I know that Kerry has sent out the info about the camp. It promises to be a great time and I hope as many people as can make the trip to Broome. We are trying hard to get swimming lessons organised but in all honesty it isn't looking good. The availability of swimming teachers in Broome is the main issue and at the time of writing the organisers are still trying to secure the event. If the lessons don't go ahead it will simply mean that the students have more time with their teachers. I will pass on information as soon as I receive it.

Please note also that Year 6 Graduation will be held during the Week 5 Camp.

Muster

This great event is still a little while away but as always it will be a great event. Kerry has sent the paperwork out.

School Review

The School Review process is a new school accountability process that is being trialled in WA Government schools this year. KSOTA is one of the trial schools in the Kimberley along with Derby District High School and One Arm Point Remote Community School.

I will have more information to share with you all next week on this issue.
