13th December

Week 5 Camp news

Good morning everyone.

Week 5 Camp is shaping to be a great event for all concerned.

We have however hit a snag which I need to inform you of.

The Air Conditioners in the "big" room where the sinks are have blown up and because of the age and type of machines that they are there are no parts in Australia currently.

They will not be operational during our camp.

In response to this situation I have organised the following solution. I have organised a bus from Derby District High School for the week and I have negotiated for Mrs Paidra and Mrs Lawless to take their classes to Broome North Primary School.

We were going to have these two classes working in the room that now has no air-conditioning.

They will have working spaces to themselves and they will spend recess at Broome North and lunchtimes at the Camp School. They will then go back to Broome North for the afternoon session.

We have used Broome North as a host school on several other occasions over the past few years and I think that this will be a great experience for our students. It will be great for our children to wear their KSOTA uniforms for these visits to Broome North.

These changes will not affect Mrs Pritchett's class.
