From Mr Noble

I am back to school today after my adventure with Kidney infection/Blood poisoning. It was a different experience and one that I don't want to repeat any time soon. I would like to acknowledge the work of the staff of KSOTA during our camp in week 5 and I would also like to wish our Graduating Students all the very best. I will see most of them at MUSTER next week.

MUSTER

We fly on Tuesday morning with QANTAS from Broome airport. Our flight is at 9.20 am so I would like to see all our students there about an hour beforehand. We return to Broome on Monday 10 December at 1:05 pm. Like our trip to Canberra I will assume responsibility for the students at Broome Airport on Tuesday 4th of December and return them into the care of their family at Broome Airport on Monday 10th December at 1:05 pm.

MUSTER travel

I would like the students to be in their KSOTA school shirt for the flight and I will be giving each student a KSOTA Muster cap at the airport on Monday and this cap will be a part of the muster uniform for the duration of the camp. Students do not need to bring any other caps on camp. I know that Kerry Doust has done a superb job of keeping everyone fully informed of requirements and arrangements for travel and the camp in general and I would encourage all parents to spend some time to read over all the communications so that everyone is fully prepared. Please pay attention to the "what to bring list" and bedding requirements etc. MUSTER is always a lot of fun and if we are all prepared and have what we need with us then the camp will go smoothly. Don't forget one case under the plane and one piece of carry on.
