### FROM THE PRINCIPAL

Log in news

Some people are getting locked out of their computers.

### Don't Forget

# .\ksota Password1

Don't forget the **fullstop, back slash** (found above the Enter tab) addition. KSOTA hasn't chosen to add the **.\** it has been a Windows 10 addition. Students need to get the **.\** addition into their routine as 3 incorrect attempts will lock the computer and it could be over a week to turn computers around.

### Update message

**When you please receive the update notice please let us know as we can send you a new computer.** The Department image only lasts a certain amount of time before it needs to be refreshed.

Because the update message is received at your sight, we have not actually seen what the message looks like. It would be great if someone would take a screen shot when you next receive one.

### **Assembly**

Don't forget Assembly tomorrow at 8 am in the Muster Room.

### **ANZAC Assembly**

Don't forget our ANZAC Ceremony next Wednesday at 1 pm in the Muster Room
