Term 2, Issue 1

2 May 2019

### Important Dates

Home Tutors Seminar  
Monday 13 May—Friday 17  
May

### FROM THE PRINCIPAL

#### Welcome to Term 2 2019

I hope that everyone had a great break from school over the holidays. We are now back in harness and forging ahead into term 2!

#### Friday Assembly

Our first Friday Assembly is tomorrow in the Muster Room at 8 am. See you there!

#### Home Tutor Seminar

Home Tutor Seminar is looming and I know everyone here at KSOTA is working hard to get everything ready. There are two timetables that always run at HTS. There is the student timetable and the Home Tutors Timetable.

I would like to acknowledge the work that Amanda has done to create the Home Tutor's programme and the student timetable. The Home Tutor's Seminar has been running for a long time at KSOTA and I encourage all the Tutor's to avail themselves of the Professional Development opportunities that the week offers.

Don't forget School shirts for the class photos.

There will be a book fair at HTS as per usual.

Please refer to the what to bring attachment.

Please refer to attached timetables for the week.

There are some fairly important aspects to our camp. The first one being the NAPLAN. We are online for the first time and after a fairly extensive lead in preparing all that needs to be prepared we are all set to go.

Of course the time that the students have with their teachers is important and not to be overlooked. There will also be on entry assessments being done with our Pre Primary students. This is mandatory and all students in PP across the state take part in this data collection process.

All our usual activities like KSOTA has Talent and the Surf Carnival will be there. Our Home Tutor Camp is a great week and one that holds a very important place in our school calendar. I would like to commend it to you and I look forward to seeing you all there.

Paul Noble

## From The P&C

**P & C have organised crèche for Tuesday, Wednesday & Thursday mornings from 8am - 12 on site at the camp school so that parents can attend organised sessions. Crèche will be run by qualified staff from Kimberley Kids child care. They will do craft and bring a heap of toys to entertain our kids who are not yet school aged.**

**P & C are having a stall at the Broome market on Sunday 12th May the day before camp starts. We will be selling school merchandise to help fundraise for our school. We have 2 families running the stall but if you are around and would like to come along please do, the more the merrier. If you come down with the kids and they tell stories of school life to willing customers we might just make a few more dollars. Or just come along and say hi and check out the market while you are in town.**

**We will be bringing school uniforms and other school merchandise to camp if you would like to purchase any for yourselves or gifts for others.**

**If anyone has a telescope that they can bring, and are happy to share, it would be very welcome for the Astro Tour by Greg Quicke. Unfortunately due to the size of Greg's telescope he is unable to bring it to Camp.**

**We will be having a P&C meeting at camp on the Monday night so please come along. Don't worry we don't have vacant positions or jobs needing filling just be good to have more people and your wonderful ideas...**
