MUSTER Term 4

Camp Cooloongup

10 Dec-16 Dec

From the Principal

Good morning everyone.

We are in the midst of reports here at KSOTA at the moment.

We have some visits to go before the end of the term.

Once again I am happy to acknowledge the wonderful hospitality that is shown by KSOTA families when we come to your homes. We have visits to Country Downs and Home Valley Station to round out the term.

Important Dates

NAIDOC Assembly – this Friday 8.00 am in the Muster Room.

Scitech Visit- we are really looking forward to our visit from Scitech. They will be here at KSOTA on Friday Week 2 of Term 3, (Friday 2nd August).

They will run the event through the Muster room. Stay tuned for more info.

Reports will go home next week. Hard copies will be posted and electronic copies will be emailed.

Technology

Many families had a “technology event” yesterday. In the end it seemed to be part of a larger NBN outage.

Don't forget that all SOTA families and sites across the state work on a monthly allowance from the WA ED Dept.

As we reach the end of the month the service may slow down. Overuse can obviously effect the supply of “connectivity”. The allowance is for school use.

See you all at the NAIDOC Assembly!

Regards,

Paul NOBLE
