Term 4

14 Oct-19 Dec

Term 4 Camp

Broome Camp School

Monday 11 Nov-Friday 15
Nov

MUSTER Term 4

Camp Coo롱gup

10 Dec-16 Dec

From the Principal

I would like to welcome everyone back to KSOTA. I hope that the time away from school was rewarding for everyone and that we are all back on deck for Term 3.

HOME VISITS

Term 3 sees us doing lots of home visits. Our Home Visits form an integral part of how we deliver our service at KSOTA. They are valued by the entire school community and we are committed to ensuring that they remain at the core of our business. When teachers travel there is an impact on Air Lessons from base. Currently the model is that Individual lessons are cancelled when the class teacher is on a home visit and the class lesson is carried out where possible by another staff member.

SciTech

Our visit from Scitech is scheduled for next Friday. The work packages have been sent to you and the timetable is below.

Scitech Timetable

◆ 8.15 – 9.00 am K-3

◆ 9.45- 10.30 am 4-6

The Scitech workshops will be in the Muster Room. We will have a quick assembly beforehand at 8.00 am.

Air Lessons

Please remember to mute your microphone when you enter your lesson. Of course when students need to speak they can turn on their Microphones.

Background noise can become a problem if the microphones are left on.

If the teacher locks the microphone you won't be able to switch on the mike when you want to be heard!

Enrolments

We are currently in the process of looking towards 2020. We are always on the lookout for new families to be a part of our school. Please direct any prospective people to KSOTA.

We are also looking at the possibility of running a 0-3 programme as part of the KSP (Kimberley Schools Programme). Whilst this is in the very early stages I would like to hear from any existing families as to whether there are any prospective takers for this initiative. How it is going to look and the "nuts and bolts" aspects are still in the process of being worked through. It does however look like a venture that will be of value and will add to the service that KSOTA can deliver.

Assembly

We are having our first assembly for the term tomorrow (Friday 26/07/2019) at 8 am in the Muster Room. See you there!

Mr Noble
