Week 3 Term 3 News

I am happy to say that we have had a fairly seamless start to Term 3. Travel is well and truly underway and Week 3 is a good time to take stock of how the term and the second half of the year is panning out.

Planning is going into our Fourth Term camp as we speak. The camp is going to be held at the Broome Camp in week 5 Term 4 as it was last year. There is lots of information yet to come about the camp but it is the school's intention to hold swimming lessons during that week. Stay tuned.

Air lesson info

- ◆ Please ensure that students have their headsets on for the "Let's Decode" sessions. These are designed to be fast paced and fairly intense sessions and the headsets allow for maximum attention by the students.
- ◆ Alongside this is a general request for people to minimise background noise during Air Lessons. You would be amazed what the laptops pick up. Chairs being moved, CB radios in the background and talking to name just a few.
- ◆ The Air Timetable is very crowded these days. To this end can Home Tutors please ensure that students are logged on and ready to go before the start time of the lesson. That is, if the Air lesson starts at 8 am please don't start logging on at 8. Start the Webex process at 7.50 am so that the student is ready to work and participate at the stroke of 8 am.
- ◆ There will be **NO** assembly this Friday. This Friday is one of those times when we simply have too many people out of the school to run the assembly. Mrs P and Mr Felstead will be on their way to Kandiwal and Miss Stack and myself will be on the road back from Mt Elizabeth.

Mr Noble
