Mr Noble's News

I would like to start this newsletter by thanking everyone for their efforts across the term. We achieved a lot of home visits and planning for Term 4 events are underway. I hope that the school holidays are a rewarding time for everyone. I always remind students that if you work hard during the term you can relax and enjoy your break from school with a clear conscience. I hope that the Home Tutors reading this enjoy their break as well. The efforts of all Home Tutors are so vital to the ability of this school to deliver the service that we strive to achieve.

This school has been on a journey since I arrived in 2012. We have restructured many elements of our core business and I am certain that this school is well placed to meet the challenges of the short to medium term future.

- Finances – we have faced significant restructuring with the implementation of the School based funding model. (Less money.)
- Curriculum- we have implemented significant additions to the curriculum aspects of this school. (KSP, Stepping Stones Maths etc)
- Air times – students now have significantly more time on air with their teachers. Everyone involved with our school needs to be complemented for the role that they have played in ensuring that our school is in the healthy state that it is.

Assembly

Our assembly this week will be a little different. We are having a theme for our assembly! I will be asking everyone attending to speak for a few moments about how they plan to spend their holidays.

Are you staying home? Helping with work? Going away?

It will just give a chance for some interaction and news telling.

Muster Room 8 am this Friday.

School Development Days

Air lessons will resume on Wednesday 16th October. The Monday and Tuesday of the first week of Term 4 will be School Development Days.

Term 4 Camps

Please factor in the dates for our major events next term. The major date that will affect everyone is our Term 4 camp in week 5 term 4. The dates are noted elsewhere and it seems that we are inching forward to having swimming lessons during this camp. Please pencil the week in at the Broome Camp School.

Later in the term we have Muster in Perth. This will involve less people as it is only open to years 4-6.

Laptops

Our school has invested heavily in new laptops for students. Please endeavour to keep your laptops clean and dusted.

TIPS FOR LAPTOPS

- ◆ Ensure you save all your work onto a USB thumb drive
- ◆ Empty recycle bin on desktop regularly
- ◆ Wipe clean with a slightly damp cloth
- ◆ A small paint brush is handy to remove any dust on keyboard

ASSEMBLY

See you all at the assembly in the Muster Room at 8am on Friday
