MR NOBLE'S NEWS

All roads are pointing to our camp next week in Broome. Please see the timetables included. The timetables will show the student and the Home Tutor activities. Lots of our activities will see us all together.

We have tried to put together an exciting programme and we will keep you up to date across the week if there are any changes that need to be broadcast.

Points to remember

- 1) School shirts are required for class photos.
- 2) Everyone has to provide their own bedding. (Sleeping bags, swags, sheets and pillowcases etc.)
- 3) Swimming lessons are for PP-yr 6 students. All paperwork will be completed at camp. Barb McKimmie will be our swimming teacher. Lessons will occur in the camp school pool as they did last year. (Thanks Barb!)
- 4) We need to stress sunsmart, Mosquito smart and hand washing behaviour in all camp attendees.
- 5) The major theme running across the camp is NAIDOC.

School Review

Our School Review took place on Tuesday 27th October. Our two school reviewers Vicki Mckean and Ian Browning spent the day at KSOTA. Vicki and Ian had access to the ESAT (the electronic space where our accountability is stored) for the week leading up to the review day. The school review process is quite exhaustive and I would like to acknowledge the work that has gone into the documentation for the process. Amanda George (past teacher at KSOTA) and Esther Kerr both made major contributions to the formal aspects of the process and I would like to acknowledge their contributions. I would also like to acknowledge the rest of the teaching staff for their contributions (daily) to ensuring that the planning and curriculum initiatives are put into place. Kerry Doust needs acknowledgement as well. The Financial aspects of the school were part of the review process and I want to thank Kerry for her efforts.

The reviewers were able to see that our school has a clear direction and effective processes in place.

The written report of the School Review will be on our website soon.
