School News

Term 1, Issue 1

Friday 28th January 2022

Welcome to the 2022 school year at KSOTA! We are all very excited to have the students back at school, and to meet all our new families. I would like to welcome Miss Sheldon Smith, Miss Ashlee Doust and Ms Fiona Harris to KSOTA. I am sure they will all be made to feel very welcome by the community.

We've had a few hiccups getting Ms Harris moved to Derby, but fingers crossed she will be on her way very soon. In her absence, Jodie Bird will be covering the Year 1/2/3 class. Thanks Miss Jodie! I knew you couldn't stay away from KSOTA for too long!

Today you should have received a welcome letter from your classroom teacher/s, along with SeeSaw login details, air-lesson timetables and weekly plans. We will be easing back into school, with a slightly modified program for the first week. Classroom teachers will be instructing students how to confidently use SeeSaw to upload their work samples, and will be setting expectations for on-and-off air activities. Connect classrooms have been created, but I have attached links to each classroom in case there are any problems.

1-1 sessions, MacqLit, Spelling Mastery, and Digital Technologies will begin in week 2. Health will begin in Week 3. Miss Kerry and Miss Ashlee will be despatching Library boxes and yearly consent forms very soon, along with some wonderful new sports kits.

As you settle back into your school rooms and day-to-day routines, if you find any resources from 2021, please return them KSOTA.

We will be hosting our first assembly of the year on Friday 4th February, at 8am in the Muster Room—I look forward to seeing you all there.

Please reach out if you have any problems or concerns.
Esther Kerr

TIPS FOR LAPTOPS

Ensure you save all your work onto a USB thumb drive

Empty recycle bin on desktop regularly

Wipe clean with a slightly damp cloth

A small paint brush is handy to remove any dust on keyboard

Help desk numbers

Education Department WA – It Helpdesk 1800 012 828

Clear Networks help desk – connectivity – Satellite services – 1300 855 215
(DoE Customer Number 14052)

Please don't hesitate to use these services – they are for you to use !

P&C Merchandise
